Ahammed Ali Shaik

+91 8142028163   ahammedshaik0301@gmail.com   Bengaluru, Karnataka

Skills

- Python
- MySQL
- HTML/CSS
- JavaScript
- Django
- Tailwind/Bootstrap

Projects

Web Design ↗

- Aspiring Web Developer dedicated to crafting user-centric and visually captivating web solutions.
- Proficient in HTML, CSS, and the application of responsive design principles.
- Designed and launched "Way to Career," an educational platform, to elevate user experiences and empower professionals on their journeys.
- I meticulously crafted the platform's user-centric design, ensuring that it resonated with our target audience of professionals seeking to advance in their careers. To empower users on their journeys, I integrated interactive features, personalized learning paths, and a seamless navigation system
- Committed to continuous learning and staying abreast of industry trends.
- Possesses exceptional problem-solving acumen and an unwavering commitment to contributing to innovative projects.
- Enthusiastically pursuing a fulfilling career in web development, harnessing my skills and determination to deliver impactful solutions.

Skills: HTML, CSS, JavaScript, Responsive Design, Google Fonts, Bootstrap, Tailwind CSS

Personal Budget Tracker ↗

- Proficient developer skilled in Python and MySQL with a strong track record of creating effective software solutions.
- Designed a robust budget tracking system called "Budget Tracker" to manage financial data efficiently.
- Implemented SQL queries to create tables for user data and user information, ensuring data integrity and reliability.
- Developed secure user authentication, enabling users to log in safely and protect their financial information.
- Integrated features for users to add expenses, monitor spending patterns, and update their profiles conveniently.
- Committed to precision and problem-solving, dedicated to delivering innovative software solutions.

Skills: Python, MySQL, Data Modelling, User Authentication, Database Management, Error Handling.

Accenture Data Analytics Program ↗

- Successfully completed the Accenture Data Analytics Program, a comprehensive, hands-on training initiative.
- Acquired profound knowledge and practical experience in data analysis and interpretation.
- Demonstrated expertise in data manipulation, statistical analysis, and data visualization using industry-standard tools.
- Mastered data collection, cleansing, and modelling techniques to extract actionable insights.
- Empowered to make effective data-driven decisions, delivering valuable insights to projects

Skills: Data Analysis, Statistical Analysis, Data Visualization, Data Cleansing, Data Modelling.

Education

- B-Tech ME | Madanapalle Institute of Technology & Science | Dec 2020 - May 2023 | CGPA: 8.62
- Diploma | ESC Govt. Polytechnic College, Nandyal | Mar 2017 - Sep 2020 | 81%

Strengths

- Hard-working and self-motivated
- Enthusiastic learner
